

# **TECHNICAL EXPOSURE AND STUDY TOUR FOR PLASTIC PRODUCTS MANUFACTURERS / EXPORTERS FROM 24<sup>TH</sup> TO 27<sup>TH</sup> APRIL 2018 IN SHANGHAI, CHINA**

It is proposed to organize a Technical Exposure and Study Tour for export oriented manufacturers/exporters of plastic products in China from 24<sup>th</sup> to 27<sup>th</sup> April 2018. The programme will include visits to "CHINAPLAS 2018" Exhibition and factories.

CHINAPLAS is the largest plastics and rubber trade fair in Asia and widely recognized by the industry as one of the most influential exhibitions in the world. The rapid development of science and technology has dramatically increased the range of applications of plastics and rubber in various manufacturing sectors, including automobile, electronics and electrical appliances, information technology and telecommunication, building construction and others.

The objectives of the programme are to obtain first hand information on technological developments, identify new trends, designs, and requirements in the international market, sourcing of high tech machinery, raw materials, etc.

## **FOR WHOM**

Applications are invited from export oriented manufacturers and exporters of plastic products.

It is proposed to select 10 -12 export oriented manufacturers / exporters of plastic products for this programme by a selection committee appointed by the EDB.

## **COST OF PARTICIPATION**

All expenses related to this programme should be borne by the participants. EDB may consider providing assistance towards part cost of economy class airfare and internal transport for selected companies.
