

Come and Participate !!!!

ASIA PHARMA EXPO 2003

February 23rd to 25th, 2003 - Bangladesh

Bangladesh Association of Pharmaceutical Industries is going to organize an International Pharmaceutical Exhibition and seminar "Asia Pharma Expo 2003" for the first time in Bangladesh. The salient features of the event are to display the latest technology, pharmaceutical bulk drugs, active pharmaceutical ingredients (API) and analytical instruments of the pharmaceutical industry.

The mega event will be managed by Global Pharma Expo, a leading professional in organizing International Exhibition.
