# About Us

Carbonize Business Forms in sheets are the specialty at Graphic Systems Pvt Ltd (GS). Apart from serving functional needs, well-designed and printed NCR forms will act as vehicles for corporate publicity. In Sri Lanka we were able to build a distinguish clientele over the last 30 years. Our continuous effort in striving for excellence has been rewarded with continued business with many global as well as local corporate giants.

We produce our stationary under our own brands Nice Day and Green World. We produce the private labels for many companies around the world. Today we have become a global Private Label Production Partner.

We have won many awards for our quality printing, National and International Awards for our excellent performance in producing quality products at competitive prices. We won the prestigious National Productivity Award from the year 1997 to 2001 consecutively. In the year 2001- Productivity Excellence Company of the Year in Sri Lanka in the Medium and Small Industry category and the National Business Excellence Awards in the year 2009 and 2010. We were the Bronze Award winner of the CNCI achiever of Industrial Excellence 2002, Silver Award winner of SLCBCC Business Star Awards 2015 & 2016 in Small and Medium Industry category and National Silver Award winner of Industrial Excellence Awards 2015 and the Gold award winner in Small and Medium Industry category of SLCBCC Business Star Awards 2017/2018.

Graphic Systems was the only printer in Sri Lanka to obtain the authorization of the European Union to print their security documents. We are equipped to handle your job at the highest quality with the most secure manner.

Graphic Systems operates with a modern ICT environment which enable clients to upload, download print files. We ensure on time delivery, while we allow our clients to see their jobs processing at Graphic Systems via Internet.
