Celebrating 10 Years Of Service

WHO WE ARE

1. Established in 2010, Shinex tropical fish has been exporting live ornamental fish to distributors and wholesalers.
2. Successfully exported with a best practice, to countries worldwide and is continuous.
3. Deliver high quality, live aquaria, at a competitive price.
4. Service centre located in Colombo.
5. We coordinate our operations in multiple countries to source and distribute live aquaria of wider range at the best quality and favourable pricing.

WHY SHINEX?

1. Quality- Obtaining best product from local fish breeders and controlling supply chain by operating our own products.
2. Experience - founded in 2010, Shinex has been exporting live ornamental fish to retailers, for 10 years.
3. Value- Embrace diversity as an essential component in the way we do business. Recognize that profitability is essential to our future success. We are happy to provide quality aquaria.
4. Selection - Shinex offers full variety of live fishes, including everything from common freshwater items to marine and coral species.

OUR RANGE FRESH WATER VARIETIES FROM SRI LANKA
