# Let's Talk What is the Product?

## CEYLON VIRGIN COCONUT OIL

Virgin Coconut oil, is an edible oil extracted from the kernel or meat of mature coconuts harvested from the coconut palm. Today, consumers desiring to purchase coconut oil have a wide variety of choices. Coconut oil is often described as the healthiest oil on earth." Virgin coconut oil is known for its nice fragrance, taste, antioxidants, medium chain fatty acids (MCFA), and vitamins, perfect form among other things.

# Amazing Facts About Coconut Oil.

## **Cooking**

Coconut oil has a high smoke point and longer shelf life than some other fats. As it is solid at room temperature, it can be used in baking recipes, for frying, for greasing baking pans and as a replacement for butter or vegetable oil in recipes.

## **Hair care**

The secret reason for the long and silky mane of women in tropical coastal areas is the wonder of coconut oil. The buttery-like coconut oil helps in growing the mane stronger and offers a sparkling shine to hair strands.

## **Skin Care**

Coconut oil serves amazingly well for all types of skin. coconut oil is found to be super rich in powerful antibacterial, antiaging, antioxidant, and anti-inflammatory properties. Treats Eczema And Psoriasis, Shields Against UV Radiation, Heals Skin Wound, For Dry Skin, Antibacterial Effect, Heals Burns.

## **Health Care**

Improving heart health by increasing good cholesterol levels, aids in losing weight, alleviate the symptoms of infections, promoting digestion, and bolstering immunity are a few of the impressive health benefits.

# Fortune Ceylon Products..

when we set out to develop our product range, we started with the products that we grew up with, for srilankans, that means ingredients for cooking coconut oil, coconut flour. we've used every part of the coconut to create a range that puts modern twist on our humble srilankan coconut.

COCONUT FLOUR,  
COCONUT OIL,  
COCONUT BUTTER,  
COCONUT HONEY,  
FRESH COCONUT,  
COPRA,  
COCONUT CHIPS,  
COPRA MEAL.
