PREMIUM CEYLON TEA

# 1852 Ceylon Valley Tea

## About the Company

1852 Ceylon Valley Tea, we are a well-established Tea Company with an excellent track record for the best Premium Tea in Sri Lanka and provide services from cost effective to value added Tea packaging services for many customers globally. Our well experienced staff has been involved with tea production and packaging for many years in the Industry. We offer a unique range of contemporary and traditional Tea for the discerning tea devotees. Our blends are masterfully created and present unique, extraordinary flavors. A truly welcoming variety of Teas blended to create a lasting impression.

We consider our tea to be of premium quality and have not compromised on the quality and the services provided to the customer. We believe in keeping our buyers happy by providing them with our excellent Tea products. We have an excellent team of staff to guide you with their best ideas keeping in constant touch with your company and informing about the market trends.

We belong to a well-established and the most innovatively inspired and strategically diversified business group in Sri Lanka. We have evolved over the decades to acquire a privileged portfolio of businesses across different industrial sectors that include banking, construction, agriculture, textile, transport, power and energy, leisure and aviation to name a few.

Most of the companies in our portfolio have been considered among the Most Respected Entities in Sri Lanka by many trusted partners in worldwide. Through our Plantation sector we produce and process low and high-grown varieties of Black Tea, Green Tea and Special Teas which accounts to nearly 5% of Sri Lanka's Total Tea Production.

We at 1852 Ceylon Valley would like to offer you the Product & Services as described below,

## **Our Vision**

To distinguish ourselves as an organization, committed to providing top quality food products from around the world with an assurance of timely delivery with freshness and flavor intact.

## **Our Mission**

To help our customers meet their needs on time, at the most competitive prices. To enhance and integrate our product sourcing, distribution, delivery and improve efficiency to serve our customers better.

## **Our Services**

### **Private Label Packaging Scheme**

We provide services in sourcing your preferred Tea from the Auction or Private Estate, Packing & other Raw materials in process to final Production and ship the goods to your door step. Together our Blend Masters and most experienced support Teams will assure the highest quality standards and effective services in all aspects.

We offer quality services in all types of Tea Packaging on end to end assignments basis. We ensure trusted and highest quality personal services for your requirement and overall service excellence in our state of the art packaging facility with most advanced machines which makes the process faster with minimum human Involvement by maintaining better hygiene level. We can pack consignment on priority basis having the fastest turn-round time.

### **Private Label Packaging**

Another policy is to use only additives sourced from the Top 4 suppliers in the world. Staying focused on individual customer needs is our prime importance. Our products are therefore available in different grades to meet different performance levels.

### **Packaging Plant Facilities**

Our production facilities have been designed for maximum flexibility and operational efficiency. We are equipped with most advanced technology from blending machines to Tea Bagging Machines with full range of Packaging solution. Our facilities are of quality and the temperature is controlled to meet highest standards throughout in the production.

## Laboratory

Highest quality standard certified Laboratory is available for Testing & Tasting of all kind of Tea blends. All our Teas are inspected and tested in our in-house laboratory. All our Master blenders carry decades of experience in mastering the art of tea, we produce and export some of the best tea based products in the world, to the rest of the world.

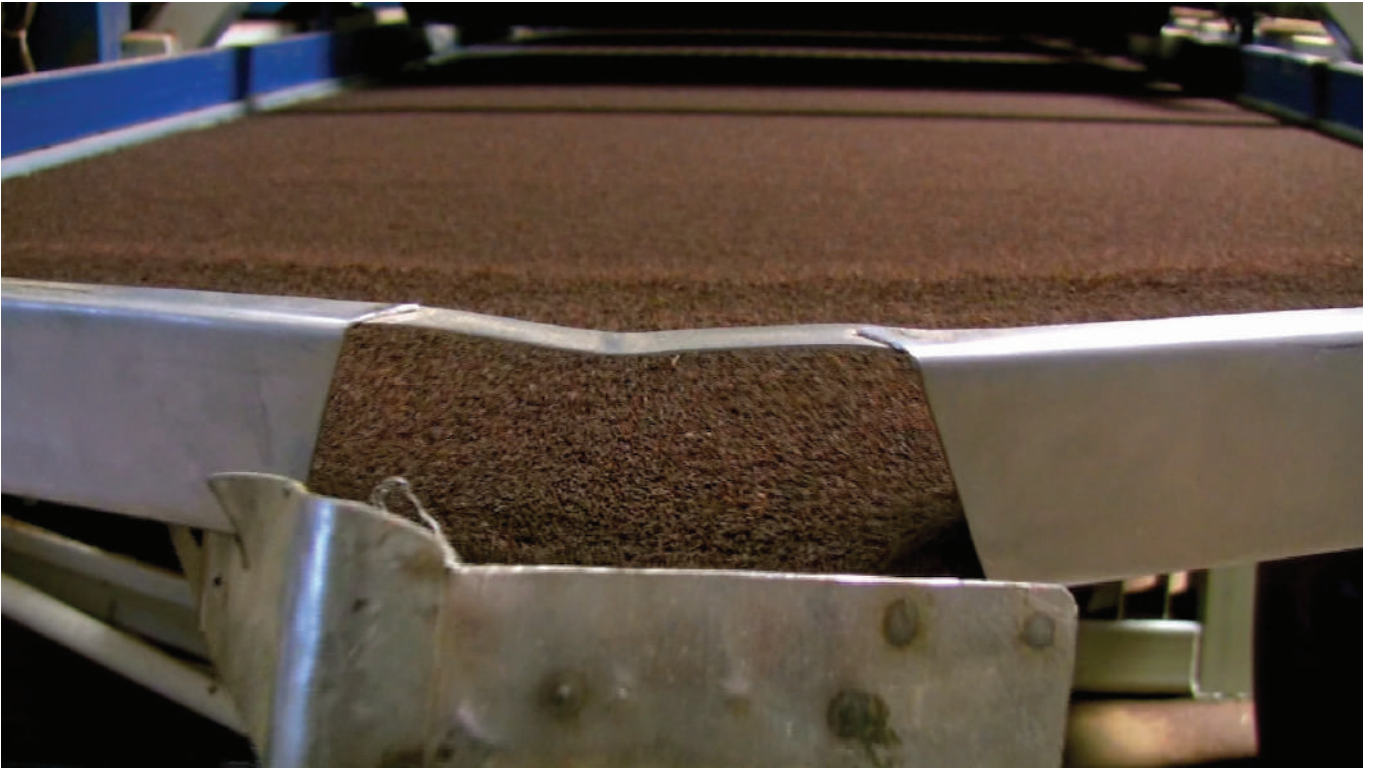

## Blending Machines

All blending machines are equipped with a full range of automated filling lines from small packs to Bulk Packaging. Strict quality control is imposed from the beginning to end. A highly effective filtration system guarantees that all products are free from contamination before they are packed. Our experienced technical workforces handle blending in a controlled and systematic manner, thereby allowing us to optimize our plant capacity and capability.

Full range of fully automated Tea Bag machine lines from Single & Double Chamber Knotted, Pyramid (Nylon & Sylon Mesh) and other kind of Tea bagging solutions. Fully Automated line with Envelops & Carton Erector, Inner Carton Lid closing, Laser Printing, over wrapping and etc. Specialized Packaging solution provided for Gift Packaging, Standard & Non-standard shapes of Inner Carton / Canister, Caddy & Tin Packaging

## Warehousing

We have cutting edge Technology ERP controlled and largest storing Facilities in Sri Lanka.

- Daily Production Capacity
- Bulk Packaging
- 05 X 20FCL & 03 40FCL per product
- Small Packs (Inner Cartons, Canister, Caddy)
- 50000 per product

## Quality Assurance

Routine quality inspections of raw materials, in-process and final production Teas are conducted regularly to maintain top quality in our Teas. All products are certified before being packed to ensure that products are contaminated free.

Furthermore, our manufacturing process is complying with ISO Quality Management System Standards.

We are driven by the goal to be the best of the best worldwide and is passionately dedicated to customer satisfaction. Therefore, it monitors and maintains its high quality consistently through stringent regulations and processes, to give its customers only the best. We maintain all required quality standards globally.

## Gift Pack Collection

From our family to yours, we have put together all kinds of wonderful options for you to share your passion for Ceylon Valley Tea with those who are close to you! Each one is carefully made to make sure it delivers our outstanding tea experience.

## Our Supply Chain Network

We own a strong supply chain network as we are equipped with massive warehouses which could be accommodated tons of tea. Literally; we could give the guarantee to any customer that consistency of supplying will never be compromised.

Our Supply-chain network is now more sophisticated and is typically structured with five key areas: external suppliers, production centers, distribution centers (DCs), demand zones, and transportation assets.
