GROWTH PLUS EXPORTS

ABOUT US

Growth plus is a diversified company in Sri Lanka's from Outsource, Advisory, Export, Venture Capital and Freight Forwarding.

Guided by dynamic leadership and robust management, we succeed in a corporate culture that places a premium on performance to meet and exceed industry performance benchmarks while enduring true to our core values.

GROW

Grow Ceylon is a prominent brand in the international market which focus on the freshness and quality of the products.

The image shows a top-down view of several small bowls containing different types of ground spices. The bowls are arranged on a textured, teal-colored surface. The spices include a light beige powder, a bright orange powder, a dark brown powder, a reddish-brown powder, and a dark, coarse powder. A small black bowl with white powder is also visible on the left. The overall composition is artistic and focused on the variety of spices.

SPICES

The Spice Island

SPICES

BLACK PEPPER

Sri Lankan black pepper is especially high in piperine, pepper's active ingredient, making it unusually flavorful and pungent.

CHILLI

Famous for its bitterness and heats it produces, after having a stalk of chilli is quite a known fact.

CURRY POWDER

Curry powder is usually a mixture of turmeric, curry leaves, dill seeds, cinnamon sticks, cardamom, clove, rampe, lemon grass, chili powder, coriander seeds, cumin seeds, fennel seeds, etc.
