Branding Posm Support

Helping our partners grow and improve their business is a core area of our work. By showcasing Lavazza branded artwork at their locations, customers have experienced a significant increase in customer footfall.

Cleaning Solutions

Ensuring your machines and equipment perform at their best at all times is important to us. Which is why we offer you a range of cleaning solutions to suit your every need. From Cafiza Tablets to Liquid Dezcal, Rinza Liquid and more, our products guarantee smooth machine performance, always.

Sustainability

We believe that the future of Sri Lanka's coffee industry is what we make it out to be. At the heart of it all lies its most important and valuable asset, its people. Which is why, we at Colombo Coffee Company are committed to enriching each and every area of their lives. This includes;

- Educating farmers
- Providing employment opportunities
- Empowering women and girls
- Teaching children
- Giving back to the community
- Exporting Sri Lankan Coffee on a global scale

In addition to this, we have developed Toscana Ceylon – 100% Sri Lankan. It is our latest and most innovative product as a result of this unique Corporate Social Responsibility initiative. One of the key focuses behind the Toscana Ceylon brand is the aim to improve and highlight the local coffee industry in a new way. As a premium selection of 100% Arabica Beans grown in the central province of Sri Lanka, Toscana Ceylon is also available in Espresso Coffee Beans, Filtered Coffee Powder and Nespresso compatible capsules. This expertly crafted blend creates a well-balanced and full-bodied coffee. Toscana Ceylon is currently being developed according to stringent international standards, while working towards the welfare of the local coffee farmer.

With sustainability of the coffee industry in mind, Colombo Coffee Company is expanding its operations down the supply chain into Green Bean Sourcing. As an ethically sourced product from the Central Hills of Sri-Lanka, this process has proven to be successful since inception as it fosters the local coffee industry in many ways and creates a demand for exports that is of international standards. In addition to this, our cupping scores stand at 90+ ensuring that we at Colombo Coffee Company are dealing with a specialty blend of coffee at all times

Our Clients

At Colombo Coffee Company, we understand the value of connections and we celebrate that on a daily basis. It has made us who we are today. As a result of this, over the last 10 years, our client base has grown to encompass over 350 of Sri Lanka's most reputable brands and names.
