About YASH

Yash Hat was born in 2016. Born in Sri Lanka to parents, Young An, the legendary Korean Hat maker and Sunny Hats of Hong Kong. Hence the name 'YASH'.

Young An, the Korean Hat maker has over 60 Years' experience in manufacturing high quality Hats. Sunny Hats of Hong Kong has been in Hat manufacturing for more than 40 long years. Together they have over 100 years of hat manufacturing experience.

Located in exotic Sri Lanka, Yash offers a wide variety of Hats, made with the finest material and the true Sri Lankan craftsmanship to meet the highest standards to meet customer requirements and values. Yash has strict timelines when accepting orders and will deliver on agreed times and dates to make your life easier and smooth.

Yash offers a wide range of Hats. From Paper Braid to Felt, From Raffia and Straw to other natural fibre. Linen to Cotton, Wool to Polylinenthe range continues. Yash manufactures hats for any occasion and need. Indoor or Outdoor, Formal or Leisure, Natural or Colour, Winter or Summer, Spring or Fall, you could find any Hats you may require.

The range is for Men, Women and Children. Yash has developed a new production technology to block seamless woven fabric. Yash continuously upgrade production equipment and skills, not forgetting the facilities and the working environment provided to our associates. Safety and Hygiene is of paramount importance to us during this time, where Covid has had its toll. We ensure hygienic and secure packing which ensures safety and prevents damage to the products during transportation whether round the block or round the world.

Talk to Yash for your needs of Hats. We will respond to you within 24/48 Hours of the inquiry with our best competitive prices, which complements the beautiful range of Hats from Sri Lanka. If you need something special we will develop what you need and send you samples expeditiously. Our production plans are flexible to accommodate your requirements and we will strive to exceed your requirements.
