TEALIGHT[®]
EXQUISITE TEAS FROM CEYLON

CEYLON TEA

It is an experience that begins even before the first sip. The leaves unravel and dance, laying bare their essence to the water's warm embrace. Soothing floral aromas gently caress, drawing you in. The hustle and bustle softly melts away as you are whisked to lush verdant climbs, a land that is new, yet curiously familiar. Lost in the moment, you pause and take your first sip... A crescendo of happy emotions washes over you. Basking in the afterglow of the moment, you take another sip. All that is left is sublime bliss, recognition of exquisite beauty in the simpler rituals of life.

OUR PROCESS

Nothing is left to chance. Our selections are the result of rigorous sourcing and lengthy tastings, ensuring exceptional quality and a beautiful flavour profile. We spend several months each year revisiting estates, sourcing new teas, renewing relationships and ensuring the quality behind the tea's cultivation and its processing. All teas don't make the cut, we only carry the best crops available from any given season.
