

DIVINE  
EXTRACTS

Modern Ayurveda....

Divine Extracts has developed its skin and hair care range in the midst of Sri Lankan natural extracts used both by traditional medicines and Ayurveda. Using these highly enriched extracts together with modern day fourth generation cosmetic ingredients for generating sustainable and effective skin care solutions to users is the purpose of this “Modern Ayurveda” approach of Divine Extracts brand.

We are a Sri Lankan base skin care cosmetic manufacturer, who manufacture products using natural extracts derived from our own herbal garden via our own extraction process. This ensures the quality and purity of local extracts used for our formulations and giving our commitment to sustainability. We are a registered Ayurveda Cosmetic manufacturer controlled and monitored under Sri Lanka Department of Ayurveda; thus, we ensure the credibility and trustworthiness of our manufacturing process. Combination of modern manufacturing techniques for maintain the efficiency of our manufacturing process and using traditional extraction methods to retain the preciousness of active ingredients from plant extracts, has made us more viable in maintaining our theme of modern Ayurveda.
