ROSHAN CINNAMON EXPORTERS (PVT) LTD.
World's No. 1 Excellent Exporter Of Ceylon Cinnamon

WHO WE ARE?

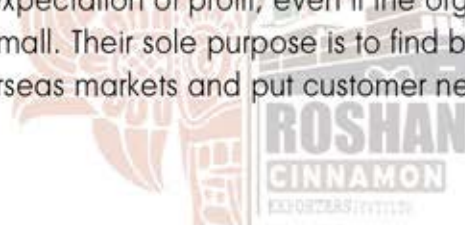

Roshan Cinnamon Exporters Private Company was established in the year 2021 at the address No.21,Pansala Road, Anuruddhagama, Kurudugaha. This company mainly exports Cinnamon. The company is operated under the directorship of Roshan Sampath Wickramasinghe and his wife Mahesha Dilani

Seneviratne. Between 15-20 trained workers work here and thirteen thousand kilograms of kurudu are released to the market monthly. It mainly exports cinnamon and also exports minor export crops. According to customer needs, export crops such as Cloves,pepper,nut Meg, mace, cinnamon chips etc. are released to the market in small quantities. The company owns a large amount of cinnamon land and extends up to three acres of land. Trained employees.

Maintains all the cinnamon and export crop plantations. **Usa,peru,honduras,**

Guatemala,Bolivia, India,Italy,Germany are important among export countries. Packages are available in various formats depending on the customer's requirement. Each package is available in material form or raw material form depending on the value added. According to the consumer requirement, the traditional small export crops are released into the market. In

addition to the above group of countries, cinnamon is exported on a small scale to India and South Korea. These can be obtained in packs or powders. Like other export companies in the field, packages are made and finished according to customer needs. It has been possible through several years of being in the business by winning the hearts of customers. By achieving customer goals in customer response, their aspiration is to deal in the market without the expectation of profit, even if the organization is small. Their sole purpose is to find buyers in overseas markets and put customer needs first.
