The Urban Spice Shop was established with the intention of providing customers with high quality organic and authentic spices sourced from various parts of the world. The brand is currently sold in Singapore and Australia. Our Products are packed in our own facility in Sri Lanka

Our products are available in glass grinders and shakers ready for retail, as well as in larger pack sizes suitable for food service sector.

The Urban Spice Shop strives to bring the best out of the spices we serve, tantalizing your senses and enhancing your culinary experience.

All our spices are carefully sourced and hand packed, ensuring that the natural flavour and freshness is guaranteed.

# Vere Dranic

Certified Organic by **Onecert International** 

# Why Use **Our Products?**

Whether you are a home cook or a professional chef we encourage you to use our products. By doing so you add high quality spices to your food and more importantly play a key role in driving sustainability.

We only source the best grades of spices to ensure that you get the highest quality products that are fresh, clean and abundant in flavour. Smaller pack sizes are suitable for households and come in glass shakers and grinders which are convenient to use.

Our range of food service products is currently available in special zip lock packs to maintain freshness. Our standup pouches enable easy storage.

# **Some of Our Unique Benefits Include:**

**Beneficial For Your General** Health And Wellness

All Of Our Products Are Certified Organic

**Unique Packaging Maintains** Freshness For Longer

We Choose The Best Spices From All Around World

We Help The Environment With Sustainable Production

All Of Our Products Are Hand Packed With Care

The Urban Spice Shop invites you to be bold and creative in developing a unique and unforgettable experience using our world class spices.

# Our Range

# **Black Pepper**

Whole - 53g, 1kg Coarse - 40g, 1kg Powder - 40g, 1kg

Our black pepper is sourced from Sri Lanka. We only sell the highest grade of black pepper. Grade 1 pepper is higher in volatile oils and density and has a low moisture content.

- Great for seasoning meat and poultry
- Gives that extra heat to Salad dressings
- Gives depth of flavor

# White Pepper

Whole - 53g, 500g Powder - 40g, 500g

Our white pepper is sourced from Sri Lanka. We sell Grade 1 white pepper which has a very low percentage of grey berries, is low in moisture and high in volatile oils.

- Goes well with light coloured dishes and soups
- Sharper flavour and heat compared to Black Pepper
- To optimize flavour, add after the dish has been cooked

### Cloves

Whole - 30g, 500g Powder - 40g, 500g

We source our cloves from the hill country in Sri Lanka. Perfect buds are handpicked and carefully sorted ensuring the highest quality. By sourcing handpicked grade cloves, we ensure that the clove buds are of good size with beautiful colour. It also contains minimal headless cloves or stems.

- Provides rich aroma and flavor in cakes and desserts
- Great with meat and poultry and in beverages
- Handpicked selected grade
  (HPS) = Guaranteed quality

### Cinnamon

Whole - 18g, 500g Powder - 35g, 500g

We only sell Ceylon cinnamon, which is also known as "true cinnamon". Ceylon cinnamon is better in quality, abundant in volatile oils and has a superior flavour which is not over whelming. We source only the best grades of Ceylon cinnamon which is Alba and C5 special.

- Mild and subtle in flavour
- Gives an amazing flavour with lamb, poultry and rice
- Great for baking, deserts and beverages

# Nutmeg

Powder - 35g, 500g

Our nutmeg is sourced from Sri Lanka. Whilst we mainly sell deshelled Nutmeg, we can provide nutmeg with shell as per the customers requirement. Our high quality nutmeg is large to medium in size.

- Great for cakes, puddings and custards
- Good for savoury meat-based dishes
- Enhances taste and rounds out flavour

# Ginger

### Powder - 435g, 1kg

Our ginger is sourced from both Sri Lanka. It is currently only available in powder form.

- Great in spice rubs for meats and poultry
- Used in mixes for gravies, curries, marinades and stews
- Good for baking and desserts

## Turmeric

### Powder - 40g, 1kg

We source our turmeric from Sri Lanka. We ensure that we offer turmeric with 3-5% curcumin percentage to ensure enhanced aromatic flavour and a brilliant golden yellow colour.

- Great with fish and seafood dishes
- Great as a healthy natural colouring agent in food
- Used to round out spice mixes for curries and meat rubs

### Chilli

Whole - 250g Flakes - 500g Powder - 1kg

Our chilli is moderate in spiciness to ensure that it does not overpower the other flavours in the dish. We offer dried chilli in whole, flakes and powder formats.

- Used to infuse creams, broths, stocks and pasta water
- Gives heat and flavour to meat, poultry and seafood
- Used in many dishes, from curries to stews

# Cumin

Seeds - 30g, 500g Powder - 35g, 500g

Our cumin is sourced from India. We only provide whole cumin seeds to maintain freshness. It can be ground before use, this helps to retain the flavour.

- Great with gamey meats such as goat, lamb or venison
- Gives great depth to vegetables and dipping sauces
- Begin by frying the seeds to infuse the dish with flavour

# Fennel

Seeds - 30g, 500g Powder - 35g, 500g

Our fennel is sourced from India. We only provide whole fennel seeds to maintain freshness. It can be ground before use, this helps to retain the flavour.

- Great in Italian, Indian & Middle Eastern savoury dishes
- Toast to release the oils and flavour before use
- Good flavouring for soothing teas and sugared sweets

# Coriander

Seeds - 30g, 500g Powder - 35g, 500g

Our coriander is sourced from India. We only provide whole coriander seeds to maintain freshness. It can be ground before use, this helps to retain the flavour.

- Dry-fry seeds to get the maximum flavour and aroma
- Great in curries and pot roasts
- Gives depth of flavor to meat, stews, vegetables & soups

## Garlic

### Powder - 35g, 500g

Our garlic is sourced from India and is of very high quality. It is currently only available in powder form.

- Great for dry rubs for meats and vegetables
- Good for soups, sauces, stews and dips
- Can be used as a more subtle substitute to fresh garlic

# Cardamom

Whole - 500g, 1kg Powder - 500g, 1kg

Our green cardamom pods are sourced from South India and are about 5-6mm in size. We also offer our cardamom in powder form.

- Mild, sweet aroma and flavour for meats and patties
- Good for baking, curries and with beverages
- Use whole, crushed or just the seeds from the pods

# Mace

### Powder - 500g, 1kg

The delicate outer slivers of the nutmeg seeds, our mace is sourced from Sri Lanka and are currently only available in powder form.

- More subtle and delicate in flavour to nutmeg
- Gives great aroma to soups, stews and sauces
- Great in spice blends used for meat dishes and curries

# **Star Anise**

### Whole - 500g, 1kg

Our star anise is currently sourced from South India. We only source star anise without stem and our products contain minimal broken pods enhancing convenience in usage.

- Used to infuse soups, stews and braised dishes
- Popular in Vietnamese and Chinese cooking
- Great addition for your Biriyani

### Vanilla

Whole - 500g, 1kg Powder - 500g, 1kg

We source vanilla from Sri Lanka. Availability of vanilla may depend based on the time of the year and harvest. Our team will be able to guide you through the ordering process. We only source vanilla with moisture above 25%.

- Great for baking and in desserts
- Add in small quantities at the end of cooking dishes
- Boosts sweetness and blends well with other flavours

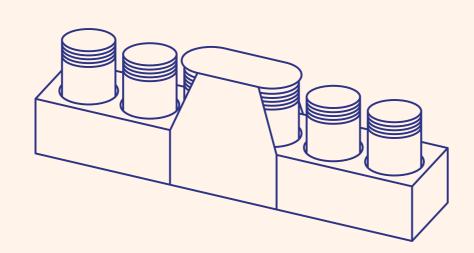

# Our Partners
