

Company Profile

Serendib Flora (Pvt) Ltd
Greening Spaces, Enriching Lives

About Us

Rooted in the heart of Sri Lanka, **Serendib Flora (Pvt) Ltd** stands as a leading name in the horticultural and landscaping industry. Since our establishment in **2019**, we have been committed to nurturing nature and transforming spaces through our premium plants, innovative landscape designs, and sustainable green solutions.

We export Sri Lanka's finest indoor plants, cut foliage, and flowers to our overseas clientele in the Gulf, EU and Far Eastern regions. We craft breathtaking landscapes utilizing true marvels of rich biodiversity of our nation and our creativity.

At Serendib Flora, we don't just grow plants — **we grow delightful experiences that inspire, refresh, and enrich lives.**

Why Choose Serendib Flora

1. Unmatched Quality

Every plant we produce meets the highest standards of health, freshness, and beauty.

2. Expertise You Can Trust

Our team of agricultural and landscape professionals brings years of experience and technical knowledge to every project.

3. Sustainable Practices

We protect the environment through responsible cultivation and eco-friendly design.

4. End-to-End Solutions

From plant cultivation and export logistics to landscape design and maintenance, we provide complete, hassle-free services under one roof.

5. Passion for Perfection

Every project is guided by our love for nature and attention to detail — creating spaces that are not only green but truly life-enriching.

Global Reach

Sharing the Beauty of Sri Lankan Flora with the World

Serendib Flora proudly exports premium-quality plants and foliage to international markets — connecting wholesalers, landscapers, and nature lovers across **Europe, the Middle East, and Asia**.

Our export operations are supported by state-of-the-art nurseries and packing centers located just **20 km from the Colombo International Airport** and **40 km from the Colombo Seaport**, ensuring freshness, reliability, and timely delivery.

Each shipment reflects our promise of excellence — carefully cultivated, sustainably managed, and expertly handled to meet global standards.

Our Promise

At Serendib Flora (Pvt) Ltd, we are more than a horticultural company — we are ambassadors of Sri Lanka's rich biodiversity and natural beauty.

Through dedication, innovation, and sustainable practices, we strive to create a greener world where nature thrives and people flourish.
