- Helps to regulate metabolism and reduce the absorption of sugar and fat, making it a helpful ingredient in a weight management plan.

Jayaka Ceylon Cinnamon is committed to not only providing premium cinnamon products but also making a positive impact on the communities we serve.

We source our cinnamon from farmers who practice sustainable agriculture, helping to conserve natural resources and protect the environment. We source our cinnamon directly from local farmers which helps the local economy and helping to improve the livelihoods of communities in cinnamon-growing regions.

We believe that business success and social responsibility go hand in hand, and we are committed to making a positive impact on the world through our products and actions.
