Our Story

Sri Lanka, once known as the "*Pearl of the Indian Ocean*", has long been celebrated for its world- renowned fragrant cinnamon, nourishing coconut and tasteful tropical fruits. At Colina, we carry this heritage forward with pride.

Founded on a passion for sharing the true flavors of Ceylon, Collina has grown into one of the leading processors and exporters of premium Sri Lankan products. With over 20 years of industry expertise, we have built lasting partnerships with farmers, suppliers, and global distributors ensuring that every product we deliver is rooted in authenticity, quality, and care.

Who We Are

We are more than just an exporter. Colina is a team of professionals driven by innovation, ethics, and a commitment to excellence. Every product we craft, whether it's the refreshing aroma and the golden spice of **Cinnamon**, the wholesome richness of **Coconut** or **Tropical fruit juices**, carries with it the story of our land and the dedication of our people.

Our Vision

To bring intentional, pure nourishment to the world, supporting well-being across global communities while empowering local communities.

Our Mission

Our focus is to,

- Deliver **consistent, healthy, and safe products** that promote well-being across global communities.
- Uphold a culture of **quality and sustainability**, ensuring benefits for our stakeholders, communities, and the environment.
- Go beyond supplying food—by **elevating the global food industry** with innovative and exciting Ceylon flavors.

Why We **Exist**

Collina exists to bridge tradition and modernity. We take the timeless treasures of Sri Lanka and reimagine them for global markets, ensuring that every sip of fruit juice, every taste of cinnamon, and every spoon of coconut reflects not only the flavor of our island, but also the values we stand for:
Integrity, Responsibility, and Excellence.

Ethics, Compliance & Sustainability Commitment

We promote ethical sourcing, human rights protection, transparency, environmental responsibility, and accountability across our supply chain. Our suppliers adhere to strict food safety, labor, and sustainability requirements, ensuring trusted long-term partnerships with customers.

Our Brands

Pure. Authentic. World-Class.

At Collina, we bring the timeless treasures of Sri Lanka to the world through our carefully crafted product portfolio. Each of our product lines—Coconut, Cinnamon, and Fruit juices are sourced with integrity, processed with precision, and delivered with the promise of premium Ceylon quality.

KING Thambili
Natural Ceylon Taste

Ceylon Cinnamon Elixir

100% Natural-Balance Your Body, Refresh Your Mind.

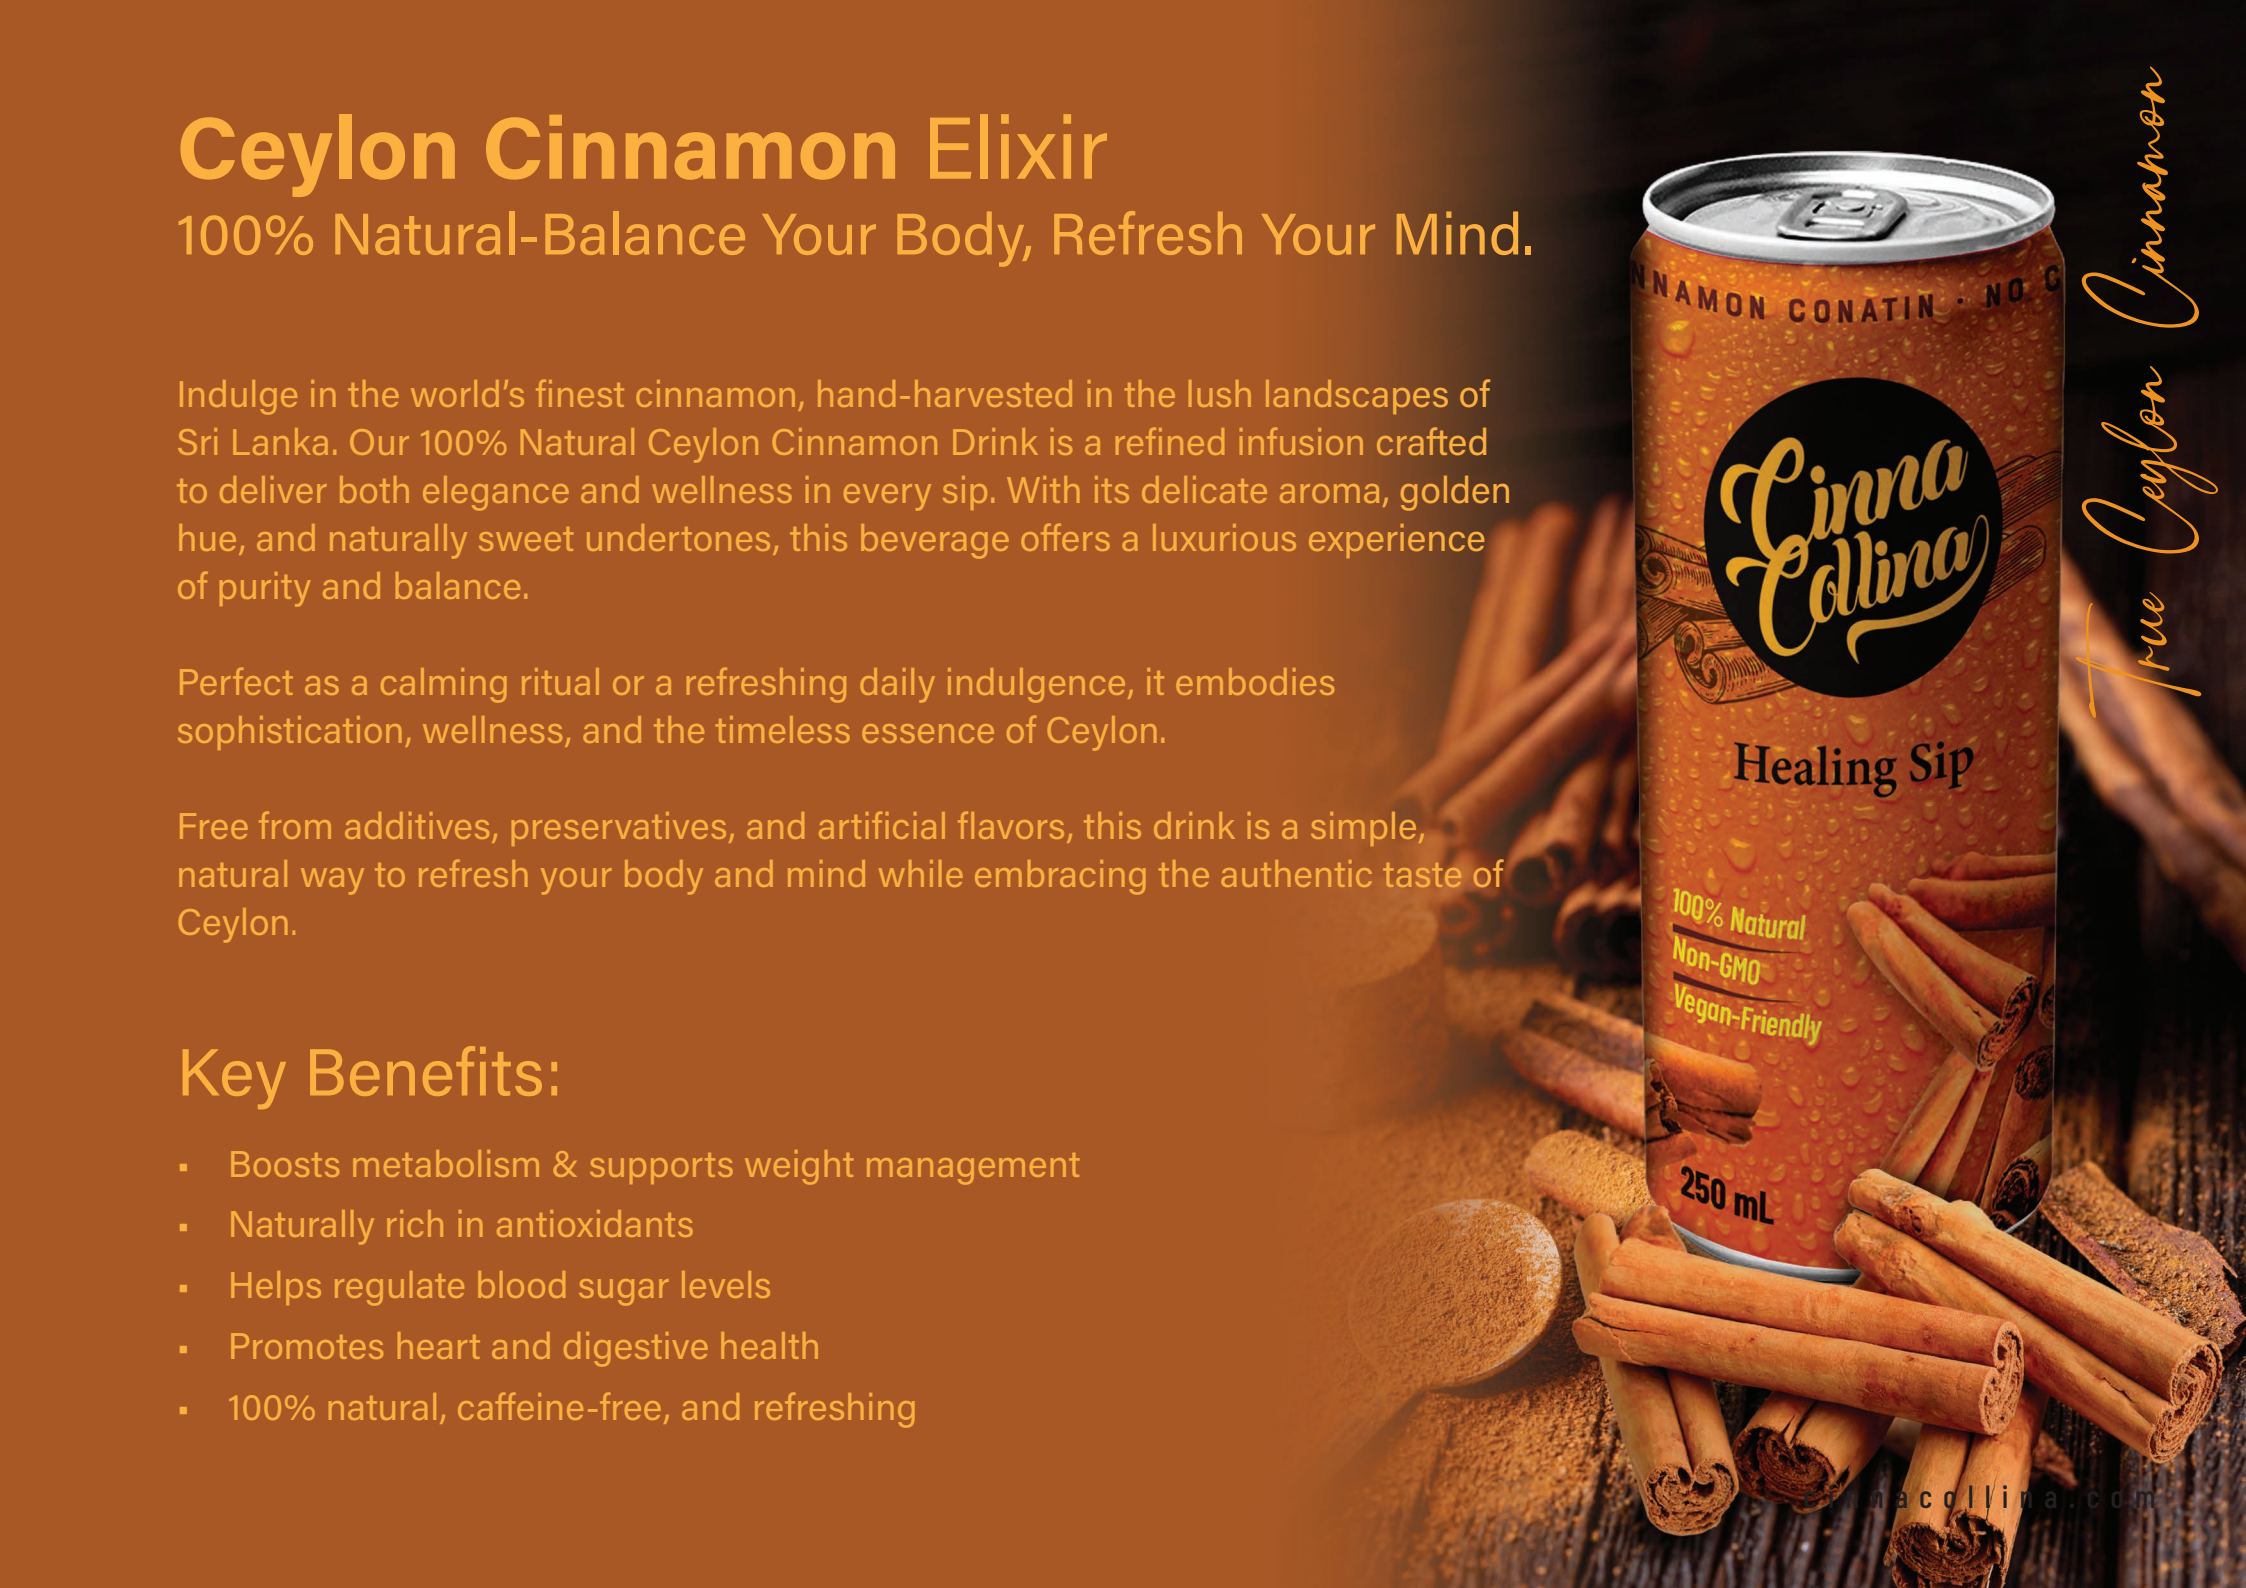

Indulge in the world's finest cinnamon, hand-harvested in the lush landscapes of Sri Lanka. Our 100% Natural Ceylon Cinnamon Drink is a refined infusion crafted to deliver both elegance and wellness in every sip. With its delicate aroma, golden hue, and naturally sweet undertones, this beverage offers a luxurious experience of purity and balance.

Perfect as a calming ritual or a refreshing daily indulgence, it embodies sophistication, wellness, and the timeless essence of Ceylon.

Free from additives, preservatives, and artificial flavors, this drink is a simple, natural way to refresh your body and mind while embracing the authentic taste of Ceylon.

Key Benefits:

- Boosts metabolism & supports weight management
- Naturally rich in antioxidants
- Helps regulate blood sugar levels
- Promotes heart and digestive health
- 100% natural, caffeine-free, and refreshing

Organic Coconut rolls

Our **Organic Coconut Rolls** are delicately handcrafted using premium organic coconut, gently rolled and baked to achieve a light, refined crispiness. Naturally vegan and free from artificial additives, they retain the pure flavor and nourishing goodness of coconut—making them a wholesome yet indulgent snack for modern consumers

Key Highlights:

- Made from certified organic coconuts
- Light, crisp, and naturally aromatic
- Vegan-friendly and clean-label
- No artificial colors, flavors, or preservatives

Crisp Coconut Bliss

Coconut Clusters

Our **Coconut Clusters** combine toasted coconut flakes with carefully selected natural ingredients to create a satisfying crunch and balanced sweetness. Each cluster is thoughtfully prepared to preserve freshness, texture, and nutritional value, offering a premium snacking experience for health-conscious markets.

Key Highlights:

- Rich coconut taste with a crunchy texture
- Naturally sweetened
- Ideal as a snack, topping, or breakfast accompaniment
- Suitable for global retail and foodservice markets

Pure King Coconut Drink from Sri Lanka

Nature's Ultimate Hydration, Bottled for the World

Sourced from the sun-drenched coconut groves of Sri Lanka, our **King Coconut** Drink delivers pure, natural hydration just as nature intended. Known locally as *Thambili*, King Coconut is celebrated for its refreshing taste, electrolyte richness, and wellness benefits.
Carefully harvested and gently processed, our drink preserves the authentic flavor, nutrients, and golden hue of fresh King Coconut bringing a tropical, premium experience to global markets.

Why King Coconut?

King Coconut is not just coconut water it is a **superior variety**, naturally sweeter and richer in essential minerals.

- Naturally isotonic – ideal for hydration
- Rich in potassium, magnesium, and electrolytes
- Low in calories and fat-free
- No added sugar, preservatives, or artificial ingredients
- Suitable for all ages and lifestyles

Perfect for health-conscious consumers, athletes, travelers, and wellness-driven markets.
