COMPANY OVERVIEW

Onestep Solutions (Pvt) Ltd is a leading provider of accounting software solutions and business process outsourcing services locally and internationally. With over 25 years of industry experience, we have established ourselves as trusted partners to more than 2,000 companies across diverse sectors.

From small startups to large enterprises, we empower businesses to manage their operations more efficiently through innovative technology solutions and comprehensive support services. Our deep understanding of the local business landscape, combined with world-class software platforms, enables us to deliver solutions that truly meet our client's needs.

OUR MISSION

Our mission is to help the customers we serve run their businesses more efficiently, helping them to gain greater insight into their business activities and providing them with lasting benefits by automating their business processes and providing support services to build long-term relationships.

WHAT SETS US APART

Our foremost advantage is the local understanding and insight we possess. Handling and engaging with more than 2,000 customers on a daily basis allows us to have a profound understanding of their needs. Throughout 25 years of rapid growth, the customer-centric vision of the company remains the same today as the day we began our quest to empower business owners with tailored products and services.

CLIENT TESTIMONIALS

LLAVAN FERNANDO, GROUP CHAIRMAN - ZONE 24X7

If you're looking for a reliable, ethical, efficient accounting/business strategy organization who has embraced new technology to outsource your day-to-day needs, I would highly recommend One Step Solutions to do the job.

ANDY MCALLISTER, SOIL AND LAND USE TECHNOLOGY, INC. (SALUT)

Onestep has been providing remote (international) accounting services to SaLUT for over 15 years. Their dedication to our account, through the ability to adapt to our needs, has been proven time and time again. Onestep provides us confidence in accuracy and has demonstrated great understanding in US based company's procedures and requirements.

PRIYANTHA KUMARA, SENIOR ACCOUNTANT - COLOMBO LOGISTICS

We've worked with Onestep for fifteen years now. They implemented the QuickBooks Accounting system, which has helped us streamline operations. It's good to have reliable support when you're dealing with complex logistics requirements. We can focus more on our core business and expansion plans.

HEMINDA JAYAWEERA, EXECUTIVE DIRECTOR - TRACE

Running an innovation hub means juggling a hundred different priorities daily. The beauty of working with OneStep is that financial management isn't one of them anymore. For 3 years, they've kept our accounting and payroll running so smoothly that our team can focus entirely on supporting our community of innovators. They understand that agility is key and have adapted their services to match our dynamic needs.
