**Hi There,**  
ආයුබෝවන් (Ayubowan),

“Metta Ayurveda | Mettaherbals.com” is an iconic establishment in the history of Sri Lankan Ayurvedic tradition. Starting a dedicated factory to 100% produce organic and herbal products to fulfill the needs of patients is one of the major leaps in Metta Ayurveda Company. Every product was tested through clinical experiments before its launch of the products. The company has a foreign representative in Canada in addition to its presence in its home market in Sri Lanka.

The company has already entered (since 2019) the export markets and is open to collaboration with new partners overseas, using our [www.mettaherbals.com](http://www.mettaherbals.com) e-commerce website. The company has a manufacturing facility in the city of Panadura, Kalubowila, and Dehiwela in Sri Lanka, which is purpose-built and equipped with the latest technology and machinery enabling it to produce products of the highest quality under the careful supervision of Ven. Dr. Metta. Our company has pharmaceutical products in several foreign countries and is acclaimed by Sri Lankans as well as foreigners.
