Hair Color - Longer Retention

A highly sophisticated hair color cream that's specifically designed for professional use. High quality ingredients guarantee the best result when coloring and enhances the texture of hair leaving it healthy and smooth. It ensures an odorless formula for safe and easy application, while additional conditioning agents rich in Vitamin C and UV protectors helps nourish hair and minimizes fading. You can choose brilliant color shades that include colors for gray covering that have a lasting retention of upto 50 washes.

Vitamin C Enriched, Color Retention
Upto 50 Washes 30ml, 60 ml.

Just Five Minutes Color Cream

The fastest and most effective way to guarantee 100% gray coverage. Choose from 4 color shades that match your natural hair color in just 5 quick minutes. With special conditioning agents like Aloe Vera and Vitamin C that add extra protection and shine to your hair.

Aloe Vera & Vitamin C Enriched, Lasting Effect 30 ml.

Xtra Lift Color Cream

Hair coloring done in one easy step. Choose from 8 stunning shades that enhances color intensity, retention and lightening power. Adds direct lift to dark hair with unique conditioning agents like Vitamin C, giving maximum protection to make your hair lustrous and healthy.

8 Stunning Color Shades.
Direct Lift 50 ml.

Express Hair Color

An all-in-one pack containing two color shades that's lasting and permanent. A quick and easy to use coloring method that guarantees 100% gray coverage that will bring back your natural hair color. With special conditioning agents like Aloe Vera and Vitamin C that add extra protection and shine to your hair this unique formula retains color longer.

Aloe Vera & Vitamin C Enriched,
100% Gray coverage
30 ml.

Hair Color - Pack

A vibrant and permanent color cream system that is easy to use and gives 100% gray coverage. This all-in-one kit comes with the most suited shampoo and conditioner to ensure lasting color retention. It guarantees a natural look while keeping your hair color permanent.

All-in-one Pack,
100% Gray Coverage 60 ml.

Color Cream Developer

This unique formula creates a smooth non-drippy paste with either color cream or bleaching powder, for a perfect color tone or superior pre-lightening effect without adding any undertone to your hair. Available in 3 different strengths 6%, 9% and 12% for perfect and lasting color solutions.

Smooth Application, 3 Strengths
60ml, 500ml, 825 ml.

Fancy Color

A range of temporary hair colors that can be applied instantly and be removed with just one wash. Use the MATT color formula to hide the gray and the GLEAM color formula to bring the glitter into your hair.

1 Wash Removal,
MATT & GLEAM Formulas
10g.

Bleaching Powder

The ideal way to get natural black hair to the exact color you desire. A dust free formula with uniformed distribution for an even lightening effect. Makes a smooth and creamy paste with the oxidant giving easy and safe application. Perfumed and added with conditioning agents for maximum hair and scalp protection.

Safe & Easy Application,
Dust Free, Perfumed
25g, 50g, 500g.

Hair Straightener

Frizzy, curly and unmanageable hair is a thing of the past. Choose the hair straightener with the most positives. Enriched with Keratin and extra conditioning agents that repair damage, minimize breakage and split ends while giving the optimum protection for your hair. Available in both 'Normal' & 'Strong' types for lasting, straight, healthy and beautiful hair.

A mild easy to use formula with high quality ingredients which nourish and safeguard both hair and scalp to minimize hair damage. Available in both 'Normal & Strong' types for lasting curls and healthy, beautiful hair.

Pro-Vitamin B5 Enriched, Extra Conditioning Agents
100ml, 425ml.

Deep Cleansing Shampoo

Exclusively formulated for professionals to be used before chemical hair treatment such as perming, straightening or coloring. The active deep cleansing agents penetrate and remove impurities like oil and dirt leaving hair ready to receive the new treatment. Not recommended for daily use.

Deep Cleansing Agents,
Professional Use. 700ml.

Scalp Protective Emulsion

An unique combination of oil free formula that protects your scalp from external damages caused by chemical treatments such as perming, straightening or coloring. Mild ingredients such as Keratin and other anti-irritant agents help safeguard the scalp by forming a protective film over while preventing dryness caused by the chemical treatments.

Keratin Enriched,
Anti-irritant Formula
200ml.

Super Conditioner

The ideal method for minimizing damage to hair that has undergone chemical treatments such as perming, straightening or coloring. This unique formula reacts instantly on treated hair closing any opened cuticles, defending it from any further damage. It also removes and neutralizes any alkali treatment residue if present, while locking in the color molecules reducing the fading and enabling a lasting treatment. Rich with conditioning agents like Vitamins, Proteins and UV protectors to keep your hair smooth, shiny and healthy. Recommended only for use after chemical treatment.

Smoothes the Hair Shaft,
Preserves the Treatment
200ml.

Hair Spa

The ultimate deep nourishing hair spa for dry, damaged or chemically treated hair in a pH balanced formula. Natural moisturizing ingredients Jojoba & Sweet Almond Oil create a protective layer that seals the moisture in your hair while added moisturizing agents prevent dryness in the scalp and formation of split-ends. Beautiful healthy hair couldn't ask for better nourishment.

Deep Nourishing Cream,
Natural Ingredients
500ml.

Conditioner

Hair loses its moisture and oil daily. This specially formulated conditioner helps you maintain and restore that balance. Added moisturizers provide extra nourishment and prevent hair from drying. The conditioning microfilm minimizes UV damage leaving your hair shiny and healthy.

Restore Moisture & Oil Balance, Minimal UV
Damage
700 ml.

Treatment Conditioner

Specially formulated to treat and restore dry and damaged hair. Enriched with Keratin & Vitamin E to protect against UV damage and preserves natural straightness and elasticity. Transform your hair into a smooth and silky state that is easily manageable.

Keratin & Vitamin E Enriched,
Restore Dry & Damaged Hair
700 ml.

Silicone Hair Treatment

A comprehensive hair treatment with Argan Oil & Vitamin E that enhances the luster of natural or treated hair while giving it a glowing reflection. Tiny Silicone droplets deposit along the hair shaft creating a powerful coating to protect against dryness and damage by replacing lost moisture. It retains treated hair color and gives additional protection to color molecules from UV damage. Protects straightened and permed hair while recovering damage done by chemical treatment processes and other environmental factors, leaving you with smooth, silky, cascading hair.

Prevents Dryness, Adds Extra Shine & Luster
25ml, 50ml, 100ml.
