OUR ORGANIC READY TO EAT PRODUCTS

Young Jackfruit - BBQ Shredded

This delicious organic shredded barbeque young jackfruit is a plant based meat alternative rich in flavor and texture. Sweet, smoky and juicy, it is a pantry must have for those treading on a plant-based substitute. Harvested from home gardens and forest gardens of Sri Lanka, it is rich in nutrients, nurtured by the richest and healthiest soil that our farmers arduously care for. Ideal for sandwiches, tacos, salads, curries or stews. We'll leave it to you!

Sri Lankan Coconut Relish

Pol sambola, or thenkai sambal, is a traditional Sri Lankan dish made from coconut, mostly used as an accompaniment with rice, string hoppers, hoppers and curries. It is a coconut relish, consisting of freshly grated coconut, shallots, dried whole chilies, lime juice, salt and Maldive fish.
