About Us

Marah Trading (Pvt) Ltd. has been in the value added Tea export industry for nearly a decade. With the prime intention of giving our clients premium products and packaging solutions, Marah has always focused on sourcing high quality Teas and packing material and executes a well monitored production process. Our facility is equipped with sophisticated machinery and a group of trained and dedicated staff who has continued to deliver our clients on time, which has won the trust of a multitude of local and foreign clients.

Our main line of production is Pyramid Tea bagging which are sourced by premium clients for hotel chains, restaurants and retail chains. The exclusive shape and outlook of the Pyramid Tea bag reflects the premium quality of the Teas and herbal infusions they carry. In addition we specialise in single chamber conventional Tea bags as well as a multitude of loose leaf packing and assortments.
