THE COMPANY

Prestige Ceylon Teas (Pvt.) Limited was incorporated in 2006 as an exporter of TEA in Bulk as well as all forms of Packaging which are in demand worldwide. The distinctive range of processed teas we produce have earned reputation & by now we are one of the most preferred & competitive Tea suppliers from Sri Lanka.

The company has gained such good reputation in a short period of time due to the efficient & committed staff led by the Managing Director / CEO of the company Mr. Dayan Dias who carries well over 27 years of experience in the trade of Ceylon Tea who is a “Tea Taster” by profession.

MESSAGE FROM THE MANAGING DIRECTOR / CEO.____

Let me start my message by thanking all our customers who have worked with us together since the inception of our company & most of them are known to me personally for the past 27 years or so who have been so faithful to us.

This gives me a lot of courage & determination to offer even a better service & keep on improving. I am personally very happy about our quality of Tea products & the service we offer to our faithful customers who have been with us for such a long time.

Also, I would like to invite the new customers who have NOT worked with us before to link with us first & be a part of our worldwide customer base. Very soon you would understand & realize the difference in service as we all know that business in this modern era is all about the personal care, commitment, professionalism given to your business partner & to be aware of your business partner's challenges so that you play your roll in good times as well as during bad times.

We have identified this very well & not only our existing customers are fully aware of this, even our Bankers, The Sri Lanka Tea Board & other related institutions have extended their fullest support to us.

Since our company has the potential to grow further, I would like to invite more new customers to join hands with us. On behalf of the company, I can assure you of a personalized & friendly service where you would find very easy to work with us.
