

INTRODUCTION TO FINLAYS

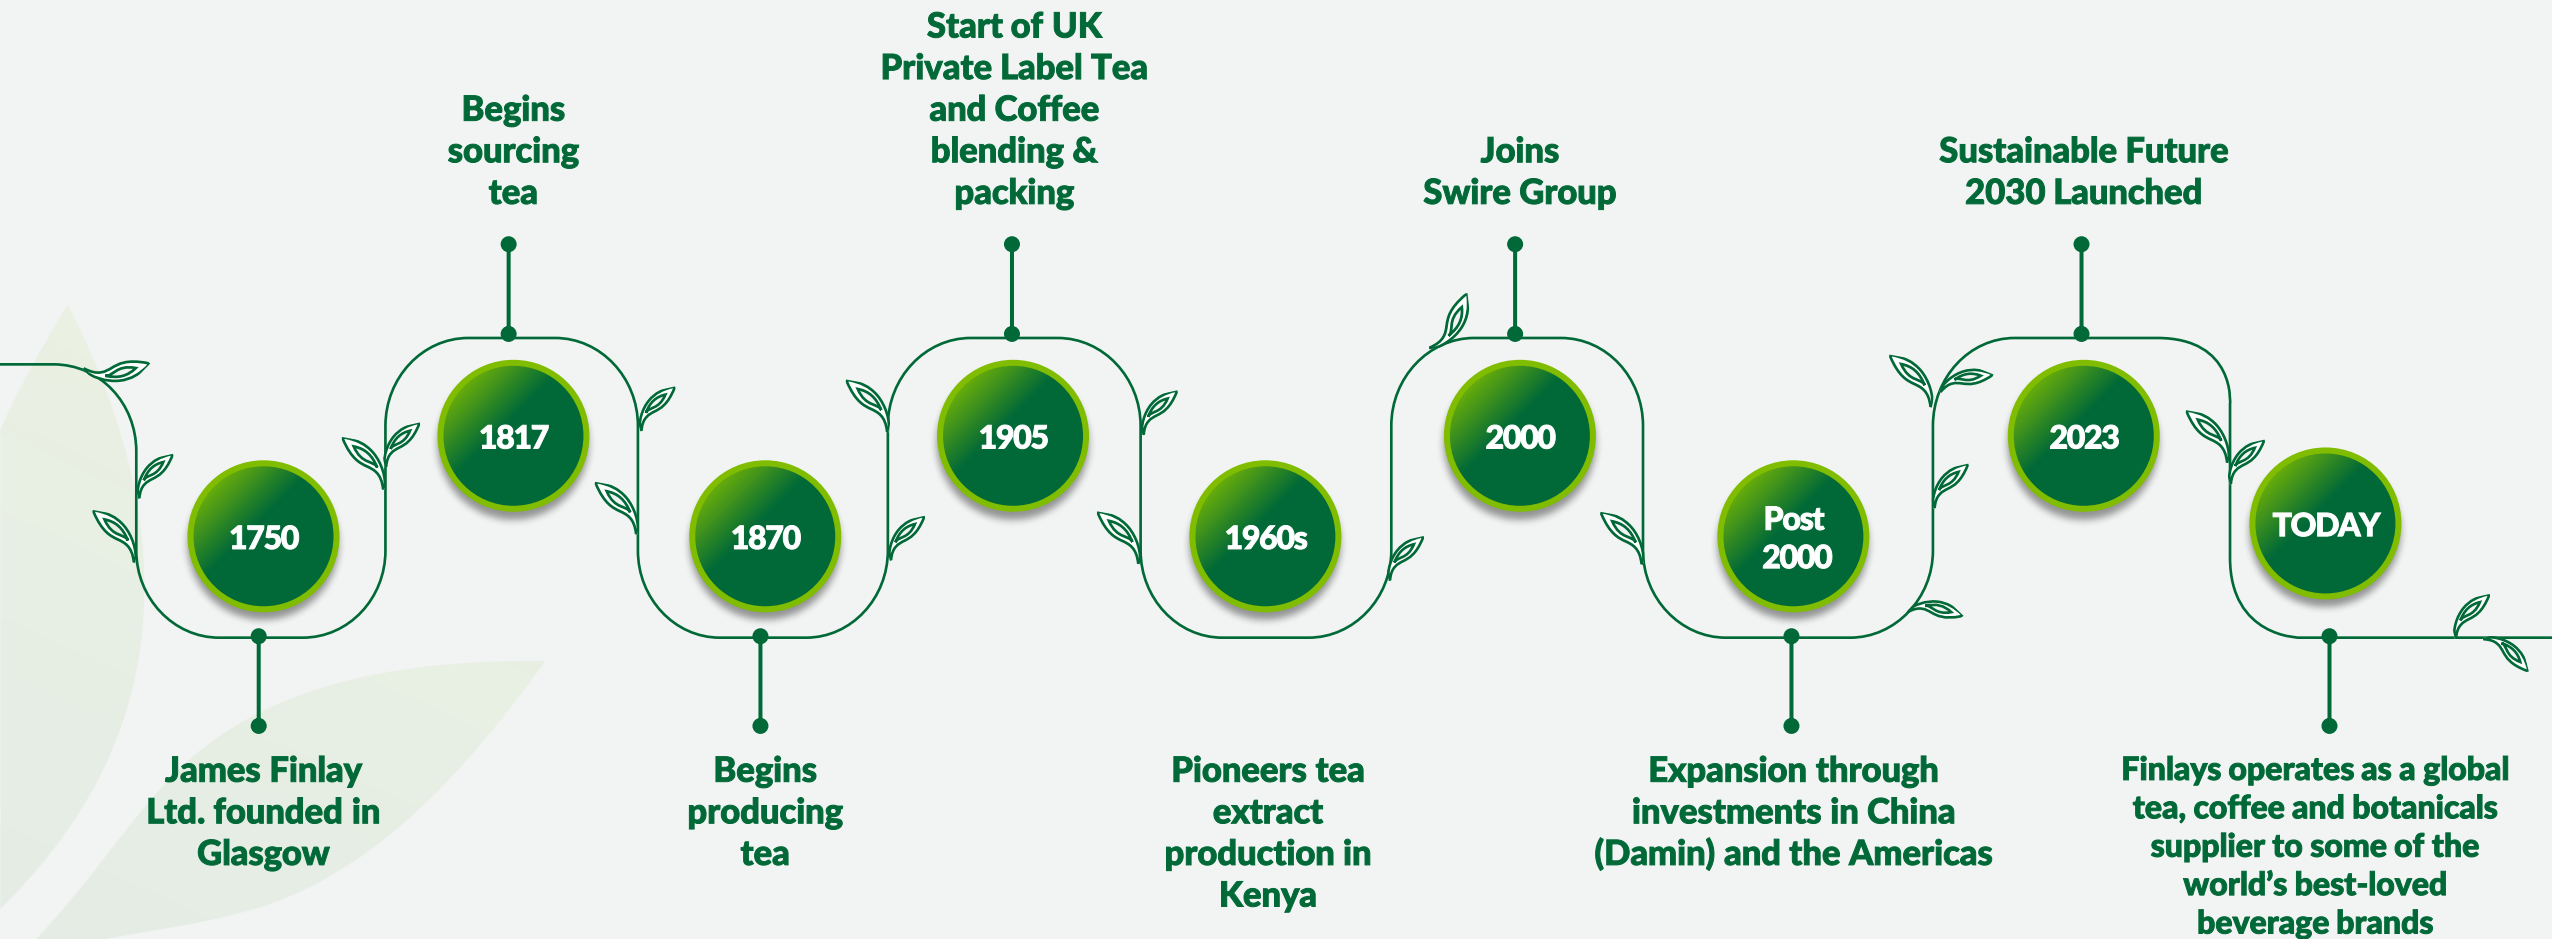

A trusted global b2b beverage solution to many of the world's best-loved beverage brands, retailers and foodservice operators.

Leading the beverage industry for over 200 years

Purpose : To empower our customers to create a world where every sip brings joy”

We achieve this every day by living our values:

**ACTING FOR THE
LONG-TERM**

We do the right thing today
for a better tomorrow

**TAKING
ACCOUNTABILITY**

We take ownership of our
words, actions and results

**DOING BETTER
EACH TIME**

We challenge ourselves to
build a stronger Finlays

**SUCCEEDING
TOGETHER**

We collaborate to deliver excellence,
valuing each other’s contributions

The Finlays Advantage

Finlays is a global group of businesses, but wherever we operate, you can always count on:

1

Trusted partnership with the beverage industry experts

We bring the wisdom of two centuries of beverage expertise to form strong and lasting relationships with customers, partners and communities.

2

Sustainability Leadership

Through Sustainable Future 2030, we have committed to ambitious and measurable targets across three core pillars.

3

Global Scale Local Expertise

With operations across five continents, we have the global scale to the local expertise to deliver value for our customers, and partners around the world.

Finlays at a glance
