Company Overview

Kelani Cables PLC, the name synonymous today with quality cabling is a company that is built on the core values of Respect, Integrity, Quality, Family and Learning. Founded in 1969 during the controlled-economy era, Kelani Cables initially started as an import-substitute manufacturer, importing components such as drawn wire. Gradually the company started manufacturing it at its factory, making KCL the pioneer in Sri Lanka's wire drawing industry. As a 100 percent Sri Lankan company KCL has been serving the nation for over 50 years manufacturing electrical and communication cables.

In 1973 KCL was incorporated as a public quoted limited liability Company for the manufacture of low voltage power cable, telecommunication cables and enamelled winding wires in Sri Lanka. Initially a subsidiary of Pacific Dunlop Cables group of Australia until 1996, Kelani Cables thereafter became a fully owned Sri Lankan company. It has since then continued on an upward trajectory being recognised today as a fast developing manufacturing company in Sri Lanka. Since 1999, the ACL Cables group of Companies has held the majority shares of Kelani Cables.

At Kelani Cables we are passionate about our industry, and this is reflected in the accolades and awards we have accumulated over the years in the field. As an ISO 9001 and ISO 14001 certified company we have achieved the Brand Excellence B2B gold award conducted by SLIM and have been recognised time to time again for our professional supremacy.

Among a host of achievements we take great pride in being one of the first companies in Sri Lanka that is signatory to the National Green Reporting System. Kelani Cables PLC is certified globally recognized under the 'Responsible Care' Charter, owing to its health and safety oriented culture and environmental stewardship.

Vision | Mission | Values

VISION

- ♦ To become the nation's leading electrical solutions provider.

MISSION

- Deliver optimum value to our stakeholders through product development, advanced technology, improved productivity, while creating an open culture within the organization to harness creativity and innovation to be competitive.

VALUES

- ♦ Respect
- ♦ Integrity
- ♦ Quality
- ♦ Family
- ♦ Learning

Our Standards

Product Certifications

The Sri Lanka Standard's Institution has certified Kelani cables by awarding them the SLS mark.

- SLS 733: PVC insulated, non-armoured cables with copper conductors, for voltages up to and including 450/750 V, for electric power lighting and internal wiring.
- SLS 412-1-1: Cables for motor vehicles.
- SLS 1504-2-11: Insulated flexible cords.
- SLS 1504-2-31: Non sheathed cables for fixed wiring.
- SLS 750: Aluminium conductors for overhead power transmission.
- SLS 1186: 600/1000V Armoured Electric Cables having Thermosetting Insulation.

The Kelani Enamelled wire is an Underwriters Laboratories certified product.

System Cetifications

- ISO 9001:2008
- ISO 14001: 2008

International Standards

UL - Under Writers Laboratory Certification for Enamel Winding wires

Also Kelani Cables manufacture most of the cables as per the British Standards (BS)

BS 6004 - Building Wires

BS 6500 - Flexible Cables

BS 6346 - PVC Insulated Power Cables

BS 7889 - XLPE Insulated Unarmoured Power Cables

BS 5467 - XLPE Insulated Armoured Power Cables

BS 215 - AAC & ACSR

 <p>An Affiliate of Underwriters Laboratories Inc.</p> <p>August 1, 2005</p> <p>Mr. S. SHYAMA PERERA Managing Director KELANI CABLES LTD. P.O. BOX 14 WATTELABURA KALANJA SRI LANKA</p> <p>Phone : (094) - 22 - 293 9388 Subject : Authorization Letter</p> <p>Dear Mr. S. Shyama Perera,</p> <p>This has reference to the Initial Production Inspection (IPI) carried out by me at your premises July 15, 2004, in respect of Magnet Wire, namely, "Kelduale".</p> <p>As the IPI was found to be satisfactory in all respects, including satisfactory aspects of your test & measuring instruments & equipment, you are hereby authorized to apply the product covered in your Follow-Up Services Procedure, File E240601, UL, to the Recognized Component Marking requirements, part of your IPI Procedure.</p> <p>You are most welcome to include the Recognized Component Mark (that is, Registered No. Mark, ) on the UL, besides the UL Marking requirements, and not as a substitute to the Recognized Component Marking.</p> <p>Thanking you & Best Regards,  P.C. Shrivalliam Project Handler Section Chief & Field Services E-mail : p.c.shrivalliam@ul.com</p> <p>Mr. Rajendra Prasad A.V.A. Associate Project Engineer UL India Pvt. Ltd. Tel: 085-51384433 E-mail : Rajendra.A.Prasad@ul.com</p>	<p>UL An Affiliate of Underwriters Laboratories Inc.</p> <p>NOTICE OF AUTHORIZATION TO APPLY THE UL MARK</p> <p>2005-12-15</p> <p>Ms. Shyama Perera Kelani Cables Ltd PO No. 14 WatteLABURA KALANJA SRI LANKA</p> <p>Fax number: E-mail: info@ulindia.in, certs@ul.in, shyama@kelanilcables.com</p> <p>Reference: File E240601 Project OSCA16005 USR: RECOGNITION OF MAGNET WIRE DESIGNATED KELDUALE WITH UL RECOGNIZED COATING</p> <p>Dear Ms. Shyama Perera,</p> <p>UL India Pvt. Ltd.'s investigation of your product has been completed under the above project number and the subject product was determined to comply with the applicable requirements.</p> <p>This letter temporarily supplements the UL India Pvt. Ltd. Follow-Up Services Procedure and serves as authorization to apply the UL Recognized Marking and/or Recognized Component Mark only at the factory under UL's Follow-Up Services Program to the subject product, which is constructed as described below:</p> <p>Similar to the subject model, which was submitted to UL for this investigation. The UL Records covering this product will be in the Follow-Up Services Procedure, File E240601, Volume 1.</p> <p>This authorization applies only to the address on this letter.</p> <p>This authorization is effective from the date of this Notice and only for products at the indicated manufacturing locations. Records in the Follow-Up Services Procedure covering the product are now being prepared and will be sent to the indicated manufacturing locations in the near future. Please note that Follow-Up Services Procedures are sent to the manufacturers only unless the Applicant specifically requests this document.</p> <p>Products that bear the UL Mark shall be identical to those that were evaluated by UL India Pvt. Ltd. and found to comply with UL's requirements. If changes in construction are discovered, appropriate action will be taken for products not in conformance with UL's requirements and continued use of the UL Mark may be withdrawn.</p> <p>Sincerely,  P.C.
