Private Labeling

PREMIUM QUALITY CEYLON TEA

We can develop new exclusive blends for you by combining our unique products or blends with your own label, to make your brand of tea even more valuable. This service is perfectly suitable for both conventional and organic tea.

Your "one-stop-shop" for customization

- Tea bags
- Generic boxes
- Loose tea leaf,
- Place your own label on or develop customized packaging in tins, cartons, canisters, etc.

Tea Bags

Our tea bags comes in various sizes and styles, including packaging in gift boxes and wooden chests. Our range of options for private label; single/double chamber tea bags, with/without tag and envelope, premium silken triangle (pyramid) sachet with/without tag and envelope as well as metal free tea bags.

Single Chamber Tagless Tea Bags

1.5gr / 2gr – 25 & 100 Tea Bags

Tag less tea bags are primarily used for the "Pot-tea method" of drinking tea. If it's a special moment where style meets the drink, tea will be served in classic style, with the whole arrangement of tea pot, tea cup and the saucers. In such an event you may use the tag less tea bags, put them in the pot, pour warm water over them and serve it to your delightful audience.

Single Chamber String & Tag Tea Bags

1.5gr / 2gr – 25 & 100 Tea Bags

Single chamber string and tag tea bag refers to the convenient tea bag solution, which allows exposure to the hot waters from two sides. Being commonly used, you may prepare your cup of tea instantly, whenever you thirst for the finest Pure Ceylon Tea from Tea Trends.

Single Chamber Envelope Tea Bags

1.5gr / 2gr – 25 & 100 Tea Bags

Same as single chamber string and tag tea bags, single chamber envelopes differ due to the enveloped packaging that ensures your tea bags are more secured from the surrounding. Since the cover is thicker than the tea bags, it helps to preserve the quality of the tea for a longer time.

Double Chamber String & Tag Tea Bags

1.5gr / 2gr – 25 & 100 Tea Bags

Double chamber string and tag tea bags are quite similar to the Single chamber tea bags, although it offers far greater interaction with warm water. The finely powdered Pure Ceylon Tea essence is trapped in two sides which will be exposed to the warm water from four sides. This is possible due to the packaging done with a tunnelled opening from the centre, trapping the tea powder on either side of the tea bag walls.

Double Chamber Envelope Tea Bags

Paper / Paper Foil /Aluminium Foil - Envelope

1.5gr / 2gr – 25 & 100 Tea Bags

Double Chamber string and tag tea bags will be enveloped in convenient packaging, which ensures preservation of your future delightful tea moments in style.

Pyramid Tea Bags

Nylon Tea bags / Bio-degradable Tea bags

1.5g to 2.5g - 15 Tea bags / 20 Tea bags / 25 Tea bags

Pyramid Tea bags are the latest advancement of convenient tea making, which has revolutionized the way global community enjoys a cup of specialty tea. The bags are made from nylon strands which are woven into a tiny net-like mesh. The mesh comprise

of holes that are much larger than ordinary paper bag that allow warm waters to interact with more of the tea leaves, permitting to release more nutrients, character and essential oils to your cup of Pure Ceylon Tea.

Loose Tea

Paper Box's / Metal Tins / Alu Pouches
