02	Location	Qingdao International Convention Center (QICC) High-Tech Zone, 9 MiaoLing Road, Laoshan District Old Stone Man Beach Area (west of WuShan), Qingdao, Shandong Province. P.R. China Zip code: 266061
03	Overview	<p>Aquaculture China, a trade show for China's rapidly growing aquaculture industry, is co-located with China Fisheries & Seafood Expo</p> <p>There has never been a better time to sell your products and services to this massive aquaculture industry. China's government has officially adopted a "zero-growth" policy on its marine fishing industry in an effort to conserve its resources.</p> <p>Chinese aquaculture producers are rapidly upgrading their technology to produce species such as abalone, eel, shrimp, sea bass, turbot, scallops, snapper, tilapia, sea bream, red drum, crab, turtles, clams, catfish, flounder, trout, mussels, salmon and more.</p> <p>To encourage the growth of its aquaculture industry, the Chinese government is dramatically reducing tariffs on a variety of aquaculture supplies such as fish meal, fish feed and fingerlings.</p>
