ENTREPÔT TRADE APPLICATION PROCEDURE

An application with necessary information as given below shall be made at the Monitoring and Entrepôt Branch (SC/DDC) for approval upon assessment of the same prior to making the Customs declaration for the same.

APPLICATION PROCEDURE

Application to Customs (I&S) on each import giving the following particulars:

- Import and Export vessel Names, voyage numbers, dates,
- Import bill of lading number,
- Description and quantity of goods,
- Import commercial invoice number and the date,
- Import value of the goods (CIF),
- Destination of re-export,
- Re-export value of the goods (FOB) and the gain,
- Undertaking to re-export within the granted period or to pay Customs Duty and Levies and remove the goods for home use,
- Confirmation of the warehousing space allocation from the bondsman (e.g. SLPA),

If the application is successful, presently the warehouse code 7301142/7301127 for CFS3/CFS5 is linked to the TIN of the applicant for a period of one month.
