

Seoul Int'l Food Exhibition

No	Content	Description
01	Fair Name	Seoul Int'l Food Technology Exhibition
02	Location	Seoul Trade Exhibition Center [SETEC], Seoul
03	Overview	SEOUL FOOD, one of the best known food exhibitions in all of Asia, has been instrumental in furthering the standing of the Korea food industry which today has reached new heights of development. The event, featuring the best of the world`s foods, will provide food companies with a golden opportunity to assess the potential of the food market in the new era. Launched in 1983, this annual exhibition has progressively grown in size and scope. SEOUL FOOD, however, will be accommodated in the Seoul Trade Exhibition Center.
