

Jewels 2023

Jewels 2023 is a chain of activities targeting both local and international trade by educating and promoting the Gems and Jewellery of Sri Lanka.

Objective:

The primary objectives of the "Jewels 2023" project are to promote the Sri Lankan gem and Jewellery trade and to expand the local trade into the international market, thereby increasing foreign income for the country. In line with this year's theme of "Traditional Jewellery", special attention will be dedicated to showcasing Sri Lankan traditional Jewellery and their re-creations, which will be launched during the exhibition.

Target participants:

Local & International Gem Dealers, Consumers, Tourists, Jewellers, Tool suppliers, other service suppliers and Scholars.
