

Cape Town, South Africa

AFRICA'S
LARGEST
BOATING
EXHIBITION

Overview

The Cape Town International Boat show is the biggest boat show on the continent. It has drawn thousands of visitors over the past two decades. Expect a display of the world's finest yachts, catamarans, and exotic boats. There will be something on offer for the whole family from live demonstrations and water activities to kids' areas.

This is your opportunity to view the entire industry at one exhibition. The marquee exhibition will feature anything and everything boating related. You'll find engines, GPS systems, boating insurance brokerage companies, fittings, accessories, and components.
