Dubai, UAE

Overview

The Dubai International Boat Show is the undisputed event leader in the region's leisure and marine industry, uniting high-end buyers and world-class suppliers from the most lucrative regions in the world. The Dubai Boat Show will showcase breath taking superyachts, the latest fishing and sailing boats, innovative diving equipment, marine technology never before seen in the MENA plus the latest Marine fashions and dreamy super cars. Also represented are leading designer of luxury boats and luxury interiors from around the world. In addition, visitors will find a great range of boat accessories - from the superstructure to boat engines and navigational systems.
