### Overview

The Singapore Yacht Show is more than a boat show, with something for everyone aspiring to own or rent a boat, yacht or superyachts – or those just wanting to learn more about the yachting lifestyle.

The Singapore Yacht Show brings together the biggest number of world-class yachts to one location in Asia and consistently showcases more regional premieres than any other event in the region. Along with an enviable range of prestige products and brands, a heady blend of glamorous parties, high-end entertainment and a trade-focused conference programme, the Singapore Yacht Show is a firm fixture in the region's social calendar.
