THE UK'S
ONLY
ADVANCED
CERAMICS
EXHIBITION

Overview

The Advanced Ceramics Show, formerly Ceramics UK provides a truly unique, free-to-attend exhibition and conference that brings together a highly focused audience from industry, academia and commercial R&D involved in the latest technical ceramic solutions. The Advanced Ceramics Show, The Advanced Materials Show, Battery Cells & Systems Expo and Vehicle Electrification Expo bring together four connected industries for two days of networking, lead generation and education at the NEC, Birmingham. A free, four-track conference featuring global experts covers the latest innovations and developments across these exciting industries.
