

 **productronica**
Munich, **Germany**

**WORLD'S
LEADING
TRADE FAIR
FOR
ELECTRONICS
DEVELOPMENT**

Overview

Being the world's leading trade fair for electronics development and production, productronica has many new things to offer to its exhibitors and visitors: World premieres and products, solutions, and innovations spanning the entire value chain. Exclusive career opportunities with exciting networking formats. And, as usual, a top-class supporting program with specialist trend topics.

At productronica, the decision-makers and thought leaders of the industry come together—from established key player organizations as well as innovative start-ups. As a visitor, you can establish first-class insider contacts and engage in forward-looking networking with companies from Germany and abroad.
