

**JAPAN'S
LARGEST
TRADE SHOW
FOR THE
GARDEN
INDUSTRY**

Makuhari Messe, Japan

Overview

Japan's largest garden industry trade show covering all kinds of horticultural and landscaping products/ outdoor gears. The show was established in 2007 and now regarded as the best sourcing venue for the next spring gardening seasons among Japanese buyers. Especially, buyers and distributors from almost all the Japan's leading home centres and DIY stores visit the show every year. The show now serves as the best gateway to the Japanese market for overseas garden products exporter.

Company dealing in garden supplies, watering supplies, garden furniture, outdoor living products, and plants/flowers will gather under one roof.
