

Riva del Garda, Italy

THE FAIR
THAT
MOVES
THE WORLD

Overview

Expo Riva Schuh is an international event dedicated to the footwear industry. The event aims at reinforcing the crossroads of European footwear trade with the volume footwear sector. The event is a must-attend for anyone working in the footwear industry. The event features various innovative and unique leather materials from different parts of the world. The trade also includes various multinational corporations to expand and network their business. The show provides a perfect opportunity to learn about the latest footwear trends that are both comfortable and unique for their customers.
