INDUSTRY'S  
INTELLIGENCE**

### **Overview**

Fashion Access is a global showcase of the latest collections on bags, footwear, leather goods, travel ware, fashion accessories, leather garments for fashion buyers, retailers, designers, wholesalers and representatives of the mid to high-end fashion tier with small to medium order quantity. It displays a wide range of fashion accessories such as handbags, bags, wallets, travel items, garments, footwear and other lifestyle products. This trade fair has been the leading venue where to source fashion accessories and at the same time for brands to outsource their manufacturing. There are also brands and designer brands.
