Overview

FACETS Sri Lanka is the flagship event of the Sri Lanka Gem and Jewellery Association and it has become a benchmark for the Gem & Jewellery industry. 28 years of showcasing Sri Lanka's unique Gem and Jewellery products to the world, by paving a way to exports for local entrepreneurs, by building strong local and international trade linkages at every level of the industry, by building an international image for our industry and for our nation and by bringing the global Gem and Jewellery stage to our doorstep, the achievements and the contribution of FACETS INTERNATIONAL GEM AND JEWELLERY SHOW has been significant. The event is supported by the National Gem and Jewellery Authority and Sri Lanka Export Development Board from its inception.
