Overview

Stepping into a world-class exhibition of timeless elegance, the HKTDC Hong Kong International Jewellery Show presents the glamour of the jewellery industry's sparkling elites. This festival of radiance is recognized as the preeminent annual marketplace for stunning masterpieces, timeless classics and visionary creations. Beyond everlasting beauty and grace, the line-up of industry seminars, jewellery parades and networking sessions delivers exceptional insight.

The HKTDC Hong Kong International Jewellery Show is the perfect stop for international and regional jewellery manufacturers, wholesalers, retailers, distributors, buyers and designers to meet and tap into the global markets. Visitors can savour a vast array of high-quality and budget-friendly pieces and shop around for rare jewellery that is usually exported to international markets.
