Frankfurt, Germany

THE
ARCHITECTURE
INDUSTRY
EXHIBITION

Overview

Tendence is the trade fair highlight of the second half of the year and provides a barometer for the mood in the consumer goods sector. It is an international trade fair of home and garden Furnishings, Lighting, Interior Design, Decor, outdoor living, jewellery, fashion products and gifts. The event is the best platform for products in the mid to upper market segment and is an inspiration for the buyers of the industry
