

Nairobi, Kenya

**AFRICA'S
PREMIER
ICT SHOW**

Overview

The TEMs AFRICA ICT Expo is the leading ICT event in Africa, bringing together a wide range of ICT service and product suppliers. Telecoms, Cyber Security, Cloud Solutions, Internet of Things, e-Commerce & Apps, Mobile Devices and Accessories, and Consumer Electronics are among the Tech Sectors represented at the Expo.

TEMS Africa ICT Expo provides visitors with the best tools, solutions and advice to maximize success. The event offers unique and unrivaled access to customers from multiple business technology channels, which enable our clients to achieve their business development through technology all in one place.
