### Overview

Paperworld Middle East brings together world-renowned brands and regional players for an exciting three-day showcase, providing the ideal space to network, share ideas, source new products and discover new solutions that are sustainable, promote efficiency & productivity, and are cost effective. The exhibition features an exhaustive list of products ranging from office & school supplies to festive decorations. Paperworld Middle East is also home to the region's leading platform for children's toys and games, Playworld Village.
