PACKAGING

Nairobi, Kenya

AFRICA  
IS AN  
OCEAN  
OF  
OPPORTUNITIES

### Overview

PPPEXPO Africa is the only dedicated industry-specific international trade show for the Plastic, Printing & Packaging Industry in the entire East African region that promises to be an excellent platform to forge business alliances, showcase technology, and interact directly with the African traders from the East, Central & South African region. It will attract thousands of buyers and decision-makers from all levels and sectors of the Plastics, Printing & Packaging Industry and aims to promote a direct business link between buyers and sellers. Kenya, the gateway to the East African Market is fast emerging as a distribution & supply hub to the entire plastics, printing & packaging industry in the East African region.
