

Cairo, Egypt

**LEADING
PLASTICS &
RUBBER
INDUSTRY
EXHIBITION**

Overview

The PLASTEX is the leading international trade fair dedicated to plastic machinery, components, raw materials, and chemicals in North and East Africa. The fair presents products and services, technologies and innovations, trends, and tendencies for trade markets. It is an international meeting place for worldwide suppliers and regional manufacturers.

PLASTEX comprises a vast range of all constituents of the plastics industry and connects buyers from Egypt, North and Eastern Africa and Levant regions with leading manufacturers and distributors of plastics including raw materials, components, machinery and technologies, semi-finished and end products.
