ASIA'S
LEADING
PLATFORM
FOR
TYRES

Overview

Tyrexpo Asia is Asia's leading exhibition for Tyres, Automotive Repair Equipment, Tools, Parts, and Accessories with the aim to connect the entire automotive community from manufacturers, distributors, retailers, wholesalers to garages and workshops owners. The exhibition will showcase the latest technology through extensive displays, technical workshops, and demonstrations, as well as cross-pollinate best practices and solutions to drive operational efficiencies and profits for businesses.
